2950 E. Texas Street

DONATION DROP-OFF
HOURS: 9AM - 5PM

Earn Your Goodwill Patch and Help Hundreds in Your Community!

The Make a Difference Donation Drive helps thousands of people with disabilities or other special needs every year! The donations you collect are resold in Goodwill stores; providing jobs in those stores and funding programs that help people find and keep jobs. You give people the dignity of a paycheck and the satisfaction of a job well done!

Patch Requirements

To earn your patch, just turn in five grocery sacks or two 25-gallon garbage bags, full of gently used clothing or household goods at one of the Goodwill locations listed. If there are two or more scouts from the same household, they jointly need eight sacks or three garbage bags full of usable goods.

How to Collect

You can collect items from family, friends, relatives, and neighbors! Take the items to a donation center listed below. Don't forget to sign the tally sheet at the donation center and list your name, troop number, and bag count. Patches will be given out by the Council to each Scout who has met the requirement.
